# Proposed

John M. Harlow has sugvate citizens to help maintain a police force similar to endowzona Landmarks Committee, he ments to colleges and univer-

Harlow, Republican candidate 102 for the city council in Ward 2, told the Pima County Republican Woman's Club yesterday that such a program admittedly wouldn't help the immediate problems at the Tucson Police Department but is an idea

Harlow noted that Police Chief Bernard L. Garmire's budget request for the current fiscal year was trimmed by 25 about \$232,000 and the current should be considered. government, Sen. Paul Fannin is not less government, but volve the business community ested in conflicting ideas on fiscal year was trimmed by about \$223,000 which obviously 127 ment.

He pointed to recent publicity which shows that the personnel strength of the department is foar below what it should be because of manpower losses.

"There shall be furnished to the qualified real property laxpaying electors of Pima County Junior Coliege District, Pima County, Junior Coliege District, Pima County, Arizona, offering to yote at the special bond election, beliots which shall contain the "Proposition" as centained in the "Proposition" as centained in the Notice, and the "Proposition" followed by the words, 'Bonds, Yes' and 'Bonds, No', and the electors shall indicate their approval of disapproval of the questions submitted by placing a cross in the square deposite the words which express their choice after the questions submitted by placing a cross in the square deposite the words which express their choice after the questions or the rest of the special bond election yassed in conformity with the provisions or the general election laws of the State of Arizona, except as otherwise provided by law and only words at the special bond election who are real property taxpayers of Pima County Arizona, and who are also in all respects availified electors thereof. "I suppose it would take a legal opinion but why couldn't partment? Why in this day and age doesn't it make as much sense to give money to a city to maintain a police force as it does to give money to create a scholarship to educate a boy to eventually become a police executive?" Harlow asked.
